

# LIGHTEST TOUCH POLICY

**Eureka Villa Adventure Playground is a child led space. We ask adults to continue to support the kids' play by mindfully "following their lead".**

**Ultimately, this means to avoid telling them how to play or inserting yourself into their play unless invited to do so. A general rule... if the play can happen without you, just stand back and observe or hang out nearby.**

*RELAX AND ENJOY NATURE AND PLAY A LITTLE BIT YOURSELF IF YOU'D LIKE!*
